Demand for more funds for rural development

2355. SHRIMATI ABMIKA SONI:
DR. T. SUBBARAMI REDDY:

Will the Minister of RURAL DEVELOPMENT be pleased to state:

(a) whether during the meeting of Chief Ministers with Prime Minister, number of CMs have demanded more funds for rural development from Centre;

(b) whether North Eastern States demanded revision of funding pattern for Centrally sponsored rural development schemes;

(c) if so, by what time final decision for providing funds to rural development will be taken; and

(d) what is the total allotment of funds made in the present budget for rural development?

THE MINISTER OF STATE IN THE MINISTRY OF RURAL DEVELOPMENT (SHRIMATI SURYAKANTA PATIL): (a) Yes, Sir.

(b) and (c) The North Eastern States have been demanding the revision of present funding pattern of Centrally sponsored schemes of rural development from 75:25 to 90:10. A definite time-frame cannot be indicated for a decision as it involves several Ministries and stages.

(d) The proposed total allocation of funds for the rural development schemes is Rs. 15998.40 crore during the current financial year *i.e.* 2004-05.

Conversion of barren land into agriculture land

†2356. SHRIMATI KUM KUM RAI: Will the Minister of RURAL DEVELOPMENT be pleased to state:

(a) the period since when Government plans to convert the barren land into agriculture land has been implemented;

(b) the State-wise details of the last three years with regard to extent of success achieved and amount spent so far in this regard;

†Original notice of the question was received in Hindi.

(c) whether the area of barren land is increasing day by day;

(d) if so, the reasons therefor; and

(e) the steps being taken by Government to check the expansion of barren land?

THE MINISTER OF STATE IN THE MINISTRY OF RURAL DEVELOPMENT (SHRI A. NARENDRA). (a) and (b) The Department of Land Resources (DoLR) is mandated with the task of developing wastelands and degraded lands, aimed at checking land degradation, putting such lands into productive use, increasing the availability of bio-mass especially fuel wood and fodder, and preventing further degradation Towards this end Integrated Wastelands Development Programme (IWDP) is being implemented by the Department from 1.4.1995 on watershed basis for the development of waste lands/degraded lands. Impact assessment studies carried out in completed projects have revealed that overall productivity of land has increased, water table has gone up and there has been a significant positive impact on overall economic development of the inhabitants of the project areas. These studies also indicate that green vegetative cover, irrigation, crop yield etc. have improved in these areas. State-wise funds released for the past three years under IWDP is given in the enclosed Statement-I (*See* below)

(c) to (e) The area of barren land does not increase much as it consists of rocks/ boulders/sheet rocks on the surface. However, wasteland area may increase due to natural causes such as excessive rains, floods, landslides, avalanches, wind, cyclones etc. and human activities such as mining, industrial effluent discharge, excessive earth cutting for roads, canals etc., denudation by shifting cultivation, deforestation, etc. The main Area Development Programmes and schemes of the Central Government for the treatment of waste lands/degraded lands having components to develop/reclaim such lands are given in the enclosed Statement-II.

Statement-I

State-wise release of funds under IWDP during the period 2001-02 *to* 2003-2004
(As on 31.3.2004*)*

Statement - II

Statement showing details of projects implemented by various Central Ministries/Departments

1. **Ministry of Rural development (Department of Land Resources)**

   (i) Integrated Wastelands Development Programme (IWDP).

   (ii) Drought Prone Areas Programme (DPAP).

   (iii) Desert Development Programme (DDP).

   (iv) Technology Development, Extension and Training (TDET) Scheme.

2. **Ministry of Agriculture**

   (i) Soil conservation for enhancing the productivity of degraded lands in the catchment of River Valley Project (RVPs) and Flood Prone Rivers (FPR).

   (ii) Reclamation of Alkali soil (RAS).

   (iii) National Watershed Development Project for Rainfed Areas (NWDPRA).

   (iv) Watershed Development Projects for Shifting Cultivation Areas (WDPSCA) in North Eastern States.

3. **Ministry of Water Resources**

   (i) Reclamation of Waterlogged Areas Under Command Area Development Programme (CADP).

4. **Ministry of Environment and Forests**

   (i) National Afforestation Programme (NAP).

5. **Planning Commission**

   (i) Western Ghat Development Programme (WGDP).

   (ii) Hill Area Development Programme (HADP).
